Metro Mold & Design Names Ben Lampron VP of Consumer and Industrial Division

Brooklyn Park, Minn. (January 28, 2019) – [Metro Mold & Design](#) (MMD), which leverages in-house mold design and build, injection molding, and precision machining capabilities to deliver innovative solutions that support customer growth, has named Ben Lampron Vice President of its Consumer and Industrial Business.

Lampron brings more than 23 years of managerial, operational and sales experience to MMD. Before joining the company, he served in a numerous leadership roles at Honeywell International, headquartered in Morris Plains, NJ. In his new role at MMD, Lampron will oversee day-to-day operations of the Consumer and Industrial Business and spearhead strategic growth initiatives.

“We’re delighted to have Ben join our team,” said MMD CEO Greg Heinemann. “His extensive leadership experience enhances our team’s ability to deliver an exceptional customer experience as we turn their toughest manufacturing challenges into business solutions that give them a competitive edge. Having Ben on our team is a win-win-win for MMD, our employees and our customers.”

Most recently, Lampron served as General Manager, Americas Region, at Honeywell Process Solutions. His previous roles with the company include Director of Operations, Smart Grid Solutions; District General Manager, Building Solutions; and Manager of Service Operations. Early on at Honeywell, Lampron worked in engineering and sales. He earned a degree in Chemical Engineering from the University of Maine and a Master’s in Business Administration from the University of Wisconsin-Oshkosh.

“In addition to its laser-focus on customer care, MMD has the proven ability to achieve what others haven’t been able to achieve when it comes to helping companies more quickly launch products with reduced cost and risks,” said Lampron. “Being part of a team that can truly drive customer profitability and growth – and do so when faced with the most difficult challenges imaginable – is very exciting. I look forward to fostering the continued success of those we serve, as well as MMD.”
